Choosing Cinder for my website has been one of the best choices I've made to establish myself as an artist. Now I have a website to share my music, post my show schedule, and sell albums! It's helping me get more fans and even book better gigs! I would absolutely recommend Scott/Cinder to anyone looking for a website or marketing.

Chapter 1 Summary. Cinder is a cyborg—part human, part machine—living in a futuristic New Beijing. Technology appears everywhere, from ID scanners embedded in every human, cyborg, or android, to netscreens that communicate a variety of information from news to gossip. Cinder's cyborg status offers her a perspective ideal for her work as a mechanic. In fact, she is known as the best and sole full-service mechanic at the weekly market.

Cinder is a dystopian retelling of Cinderella with a bad Stepmother, handsome prince, but in this case Cinderella is a Cyborg named Cinder. I enjoyed this book, it is very well written and I found myself really sympathising with Cinder, not just because of her mean stepmother but because although she is a cyborg, she is more human than most of the other characters (except she isn't obviously).
